The 30-minute Zoom sessions will give you the chance to meet one-on-one with an AACCC admissions officer to help you determine eligibility, ask questions, select classes and register for the summer and/or fall 2021 term.

Register for your Personal Registration Day!

Be sure to have this checklist done before your scheduled session:

CHECKLIST:

- First, if you haven't applied to AACCC, **submit** your application for admission. You will then receive instructions for setting up a MyAACCC account.
- Go to aacps.org/ecap to view the ECAP Application form.
- Provide your AACPS username and password and the form will populate with your student information. If you need help accessing the form, email AACPS at help-desk@aacps.org.
- Print and complete the ECAP Application form at aacps.org/ecap. The student, parent and high school representative must sign the form.
- Send the completed ECAP Application to AACCC's **cashier's office**. Eligible students will have the 50% tuition reduction applied to their bill. Be sure to white out/scratch off your birth year, leaving only the day and month visible.
- Send a copy of your high school transcript to AACCC's **records office**.
- Determine placement. Do you need to take the Accuplacer? Attend a Personal Registration Day (PRD) Placement Seminar hosted by the testing center to find out. **Register to attend** before participating in PRD at your high school.
- Good news! Financial assistance is available through the **Early College Access Grant (ECAG)** for students who can demonstrate financial need. Complete the application and send it to AACCC's **financial aid** department. Eligible students will receive \$200 in the fall term and \$200 in the spring term.
